Please attach your CV and mail to:

Douglas Ulmer
Department of Mathematics
University of Arizona
Tucson, AZ 85721-0089
U.S.A.

Graduate students should also provide the following information:

(8) Are you interested in participating in a student project? Yes No

If yes, write in order of preference the speakers you wish to work with. While we will do our best to assign you to your preferred project, it cannot be guaranteed—it's best to write down alternative preferences as well.

(9) Year and status in graduate program (e.g., working on thesis, passed comprehensive exam, passed quals):

(10) Attach a few paragraphs describing background and interest (certainly not to exceed one page) and ask that an email recommendation be sent to ulmer@math.arizona.edu by a faculty member. The message can be very short; it would suffice to indicate that the student is serious and likely to benefit from the Winter School.
